Digital Product Line

Capture Your Digital Customers

We offer a complete line to handle the increasing demand for processing photos from Digital Cameras. The Order Envelope includes check boxes for all types of digital media and a limit of liability, which addresses media cards and digital images. The Print Wallet has an internal clear sleeve to hold the media card & CD. The line is printed with vibrant graphics.

MackayMitchell's Print Boxes are designed to hold 4 x 6 Prints. They are easy to assemble with special snap lock bottom and top tuck. Large box (3316) holds 300 prints and small box (3318) holds 150 prints. They can also be used for 4 x 6 Photo Greeting Cards and envelopes.

Our CD holders will protect your customer's valuable CDs, DVDs and Disks. Order our stock or custom envelopes.

Stock & Specialty Packaging

Quality Packaging In-Stock For Fast Delivery

Ultimate All In One

This product serves as the order envelope, print wallet, and reorder form all in one package. It also includes a sleeve for CDs and a media stick holder. The product measures 6 x 8 1/4 flat and is capable of holding (80) 4 x 6 or 5 x 7 prints. A unique closure system called EZ Seal™ is used to firmly secure prints, CDs and negatives inside while allowing multiple openings and closures and is proven to be more secure than conventional closing systems. The All in One is available as a stock product with plenty of room for imprinting, or it can be ordered as a custom package.

All envelopes are tab slipped every 26, so you receive a free envelope with every 25 ordered. SlimBox™ holds 50 cards and 50 envelopes for easy and convenient packaging of Photo Greeting Cards.

MackayMitchell is certified as a “chain of custody” converter and manufacturer by the Forest Stewardship Council (FSC) and the Sustainable Forestry Initiative (SFI), two nonprofit environmental groups committed to sustainable forestry management. MackayMitchell recycles all materials used in its converting process including paper, glue, window film, ink, cartons and pallets.

Portrait Packaging

Window Portrait Envelopes

MackayMitchell Photopak has 12 different Portrait-Pak™ envelopes in stock for immediate shipment, or let us imprint your special sales message or simply your company name and contact information. If you need packaging for sport, school, or special event photography or for large format or digital prints, MackayMitchell has a style and size to fit your needs. All envelopes have large windows to showcase your portraits.

Custom Packaging

Make Your Envelopes & Packaging Sell For You

It's Easy To Create Your Own Custom Packaging!

MackayMitchell Photopak is the Photo Packaging Leader in custom designed packaging. Let one of our custom specialists show you how easy and economical it is to have your own unique envelopes and packaging.

Custom designed order envelopes, print wallets and special packaging will help you rise above your competition. Your customer will always remember who you are...and where you are... for repeat business.

The checklist below will help you organize the information needed for a successful custom design. We require a minimum order of 25,000 envelopes for custom printing. You may create your own print ready design or call a MackayMitchell Representative to assist you.

- Your company logo, information and website
- Ink colors desired
- List of services you offer
- Digital services available
- Promotional or advertising messages
- Quality assurance or guarantee notice
- Liability disclaimer on customer receipt
- Special instructions
- Date, time in and time out
- Route or file number
- Customer name
- Customer address, phone & fax number
- Film type, size, exposure & speed
- Digital media type
- Reprint & enlargement instructions
- Sequential numbering and/or barcode
- Color code your multiple locations
- Shrink-wrap or banding options available

Stock Imprint

Personalized Packaging For A Whole New Look

Create your own look with our stock envelopes

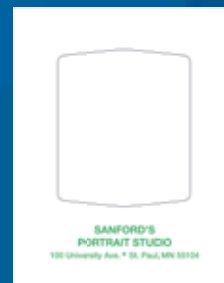

As the examples on this page show, it's easy to personalize your packaging using any of our stock envelopes.

Studies have shown the importance of telling your customer where they had their last order fulfilled, but more importantly you can remind them to bring their next order back to you.

Imprinted stock envelopes are the economical way to have your own special design.

Many options are available for imprinting order envelopes, print wallets and portrait envelopes. You can use any of the areas on either the front or back of our stock envelopes for printing your logo, lab name, address, phone number, or any other information to help sell your services. Printing can be either one or two colors.

Call MackayMitchell Photopak today and let one of our experienced design staff show you how quick and easy it is to have your own personalized packaging. Remember, we also have custom manufactured envelopes such as those shown on pages 12 and 13.
